Playing in Puddles

I love to play in puddles. I have to be careful so that I do not get too dirty.

Puddles have water and mud in them, so you need to make sure that you do not make a mess when you play in them. You can jump in them, run in them, hop in them, and have so much fun. My favorite thing to do is hop in them!

The Big Rain Cloud

I woke up and saw a big rain cloud
day. It was gray and it looked very big. Rain was
falling from it and I wanted to go out and play in the
rain. Mom said I could go outside, but first I
needed a jacket and my rain boots. I put on my
yellow rain jacket and boots and ran outside. I had
so much fun jumping in the rain.

② What did he need to wear to go outside?

③ What did he do in the rain?

The Bird Nest

At school we have a big tree. One day I looked up and saw a bird's nest in the tree. The nest had two birds crying inside it. I told my teacher and they might be hungry and need the nest. The teacher also said that their mom went to the store to get them to eat. This made me happy.

- ① What did he see in the tree?
- ② Why were the birds crying?
- ③ What did the mom bird get?

Name: _____

A Rainy Day

A rainy day means that it is raining outside. When it rains a lot we have to stay inside during school. I like to do this because we get to play games inside the classroom. Some of the games we have include blocks and some include puzzles. They are all so fun that it is hard to pick just one game!

- ① What happens when it is raining a lot?
- ② What is one kind of game they play inside?
- ③ Why is it hard to pick just one game?
