★★★★★ Extremely satisfied

I have a very diverse class this year that includes some non-readers. These fluency drills have been a wonderful addition to our classroom routine. I have added these to go along with our spelling words and will send them home with our struggling readers to help them practice the skills. Great resource.

Students used with

3rd grade

Primarily students with learning difficulties, and with mild to severe disabilities

My kids love anything with building fluency. This is a really helpful resource to provide a quick practice of a targeted skill in phonics. We use it daily in groups. Love.

Frequently Asked Questions

Are the real word and nonsense words mixed together on one page?

They are separated so you can choose to focus on real word OR nonsense words.

Will you be adding more digraph skills?

This bundle is currently complete.

Do you have a PDF online version of these materials for online teachers?

YES!! These drills have been preloaded into Google slides for you! You can print or use them digitally!

Is this available in a bundle?

Yes! Each skill is available for purchase in the bundle OR separately.
