★★★★★ Extremely satisfied

My students loved using this resource in tutoring! They found it fun to read the words and were able to keep their interest on the task! I have purchased this whole set. Highly recommend!

★★★★★ Extremely satisfied

Super helpful way for my students to constantly work on and review their blends skills in a quick way. Love that I can use this as a quick assessment to monitor their skills too. Thanks!

★★★★★ Extremely satisfied

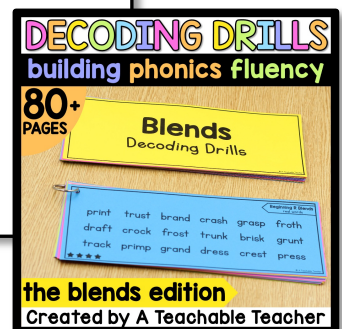

I purchased this last year to use for both my in person and distance learning students that needed intervention. I used it daily with these students as part of phonemic awareness and word building activities. It was quick and easy to use.
