May 1, 2023

★★★★★ **Extremely satisfied**

These are my favorite phonics fluency practice packets as the visuals are clear, easy to understand, and refer to, and the activities are clear and easy to follow. Some phonics packets include many difficult unfamiliar words along with the phonics rule, but the vocabulary in this resource provides on-level practices. Thank you for a great resource!

Frequently Asked Questions

Do you have a PDF online version of these materials for online teachers?

I do not have digital versions of these pages at this time. They are only available in a printable PDF.

Is this available in a bundle?

Yes! Each skill is available for purchase in the bundle OR separately.

Are you planning to add more double consonant words to this product?

This product is complete and has all the skills included that will be available.

Are the pages in this resource editable?

The pages in this resource are currently NOT editable.

Do these pages include an answer key?

Since the words are spelled on the page, no answer key is provided. If there are any pictures that are confusing, please don't hesitate to email me for clarity.
