The Truck

My dad just got home. "Mack, come outside!" he said. "I'm coming, Dad!" I said. I went outside. I saw that his truck was full of hay. "Oh, wow!" I said. "That is a lot of hay." "You should jump in," said Dad. I jumped in. "Ahh!" I said. What a surprise! My friend Sam was in the hay. Dad brought her to play with me!

What Teachers Are Saying...

★★★★★ October 27, 2024

I am LOVING this resource! I am using it with struggling readers that are in Grade 3. It's given them a level of independence because they can read the passages with little help. They are also learning to write complete sentences when answer the questions. It's easy to find the answers in text so they can use words from the text to answer them. The passages are also short and engaging enough that I can have them read them several times to build fluency. I will definitely be looking for more once my students finish this packet!
