★★★★★ Extremely satisfied

I have a very diverse class this year that includes some non-readers. These fluency drills have been a wonderful addition to our classroom routine. I have added these to go along with our spelling words and will send them home with our struggling readers to help them practice the skills. Great resource.

This has been an excellent resource! Working through all the various vowel combinations and diphthong sounds can be difficult, but having the nonsense and real words has been really helpful. Thanks so much :)
