TEACHERS ARE RAVING!

★★★★★ August 6, 2024

My students loved practicing with this resource. I used it to practice the skill in small groups, one on one with students, and with students practicing together independently.

I have a very diverse class this year that includes some non-readers. These fluency drills have been a wonderful addition to our classroom routine. I have added these to go along with our spelling words and will send them home with our struggling readers to help them practice the skills. Great resource.
