Teacher Helper
- Print book, poster and word bank.
- Book assembly: Copy, cut each page in half, and assemble book according to page numbers. *Book pages can be printed back to back*
- Introduce the short vowel sound and CVC words to your students. Use the short vowel poster to review the CVC words that will need to be written in the book. For more of a challenge, do not use the poster.
- Print, cut and provide word banks to EL students and/or students who need extra assistance.
- Model how to complete the book. As students read, they need to look at the picture, say the word, sound it out, and write the CVC word in the correct boxes.
- Once complete, students should color the pictures according to the color word on each page.
- Students can practice reading this book to self, teachers, parents, peers, or even a stuffed animal!
- Happy Teaching!
