The Butterfly

Written by Lauren Shirk

It doesn't start
With nice big wings.
First it goes
Through many things.

An egg, a caterpillar,
A chrysalis,
Lastly a butterfly,
How amazing is this?

Plant a Seed

Written by Lauren Shirk

Plant a seed.
Watch it grow.
Soon a sprout
Will start to show.

It grows high.
Then a bud will form.
The petals will pop
With a center nice and warm!

Rainbow

Written by Lauren Shirk

First the rain,
Starts to fall.
Then the sun comes out
And surprises us all.

The clouds will move.
A rainbow we'll see!
It's across the sky,
Bright and pretty!
