# What Teachers Are Saying...

★★★★★ December 6, 2024

My kids enjoy signing and practicing their skills. This has been a helpful resource to incorporate the sight words they are learning and provide an additional support.

easy to use and handle. I laminated to for my class to learn to communicate with their hard or hearing and deaf peers. I also made a set for my 2 year old as well.

**Student populations:** Autism, Emerging bilinguals, Learning difficulties, Mild to severe disabilities

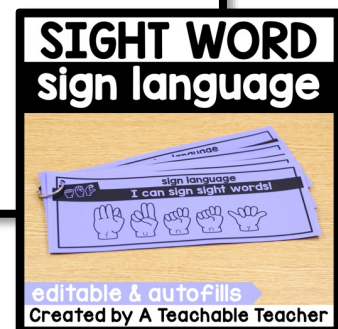

★★★★★ May 11, 2022

This has been a great way to teach my deaf student spelling words each week, and has even helped my hearing students learn the alphabet in ASL. We are all now using ASL for our spelling words everyday!
