A fun way to switch up our typical word work center activities during the week of Valentine's Day. I love that they are editable, so I can still have them work on the words we are practicing in class. These are challenging, but fun for my second graders. Thank you for sharing!

I loved that I was able to use my own word list with this resource. I used this resource during school resources so the students had a digital package to work with. They were excited to use this.

# Frequently Asked Questions

Can you add more than 20 words?

Unfortunately, no. Adding more words makes the text extremely small and hard for learners to see/read.

What do I need for the autofill to work?

All you need is the Adobe Reader software (which is FREE!) on a desktop computer or laptop.

Do I need a certain font on my computer for this to work?

You do NOT need a certain font! All you need is this resource and the FREE Adobe Reader software!

I bought one of the individual packets, and now I want the bundle. Can I get a discount?

TpT does not allow sellers to process refunds. However, they will refund you if you buy both. After buying the bundle, email them and ask for the individual item to be refunded.
