How to Play

Pieces

Directions: Print, laminate, and cut out the game pieces and spinner. Use pawns or kids for each student. You can prop up the pieces with a small binder clip. Use a paper clip and pencil to spin the number spinner.

Print spinner, game pieces, & board

Give each student a game piece

Students take turns spinning & moving their piece

When students land on a space, they say a word from that word family

Long E

The first to reach the "WIN" circle is the winner!
