This was the perfect resource to do over distance learning. Students could learn by completing and something, rather than just listening to me talk/teach.

I got this resource to use during center time for writing, it was fun and the students loved it. They stayed on task using this to practice spelling.

Frequently Asked Questions

Can you add more than 20 words?

Unfortunately, no. Adding more words makes the text extremely small and hard for learners to see/read.

What do I need for the autofill to work?

All you need is the Adobe Reader software (which is FREE!) on a desktop computer or laptop.

Do I need a certain font on my computer for this to work?

You do NOT need a certain font! All you need is this resource and the FREE Adobe Reader software!

I bought one of the individual packets, and now I want the bundle. Can I get a discount?

TpT does not allow sellers to process refunds. However, they will refund you if you buy both. After buying the bundle, email them and ask for the individual item to be refunded.
