I love that my struggling readers get to use their phonics skills to do real reading and show that they comprehend what they are reading. Thanks so much! If it is made by A Teachable Teacher, I know it will be a great product!

A Gift for Me

It is my birthday, and my mom got me a gift. I wonder what it could be. Will it be a craft we can do? Is it a raft we can float on? I lift the box to open it. I leave the lid on the floor and look inside. I sift through the paper and feel something very soft. It is a puppy! He is my favorite gift!

① Why does the girl get a gift?

② What does she think the gift might be?

③ What does she find in her gift box?

My students and I love this resource! I use it almost daily with students in reading groups, independent work, or with partners! I pair the specific reading passage with the specific phonics skill we learn each day.

This resource is fantastic! It helped me tie our whole group word study patterns to short, engaging text. The comprehension questions are varied and grow as the text complexity grows. I would recommend all the resources in this series!

My students loved reading these passages! I would always address the word family prior to reading the passage. The students enjoy highlighting the word family and using the smile faces for fluency! I continue to use these passages daily.
