Real Teachers, Real Results

800+ 5-star reviews!

Alynena K.

June 15, 2022

★★★★★ Extremely satisfied

Thank you for making such a thoughtful resource. I love how these are grouped by phonics skill and encourage rereading to build fluency with the little smiley faces for students to color in each time they read the story. I can easily assess, too, whether students are understanding what they read by seeing how they're doing with the comprehension questions that follow, too.

★★★★★ Extremely satisfied

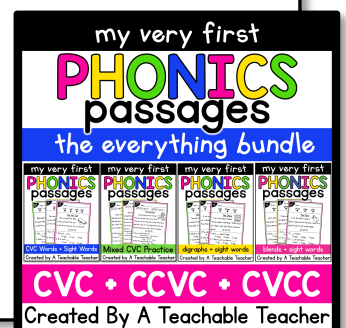

This is a marvelous resource for students! I used these with my First Grade group...I noticed a lot of confidence building while they practiced reading! Thank you!!
