★★★★★ Extremely satisfied

We've been using this in my intervention group and I love it. It is quick and easy to do daily in a short time so I can work on other skills as well. I am definitely wanting to purchase the whole set to use next year in small groups. I like that it is controlled text. Many of the decodable passages I have are too hard for those struggling readers. These are perfect.

★★★★★ Extremely satisfied

My summer school students loved reading these books and going for word hunts for the particular phonics sound being introduced. The pictures were highly engaging and the stories were short enough to hold students' interest, while packing a punch with phonemic practice. I plan on using these during the regular school year as well. Highly recommend!

★★★★★ Extremely satisfied

This is a great decodable book bundle. My students are excited to read these decodable books and the preparation is so simple. My students have had great success in decoding the words and I love the added word practice and comprehension questions that go along with each book. These are perfect for the struggling readers in my class. My struggling readers get really excited when they are able to complete the reading and enjoy taking the books home to read to a parent.

Frequently Asked Questions

Do you have a PDF online version of these materials for online teachers?

I do not have digital versions of these readers at this time. They are only available in a printable PDF.

Do you have more decodable readers than just blends?

Yes! Click [HERE](#) for the money saving Decodable Reader BUNDLE!

Do you have a list of the sight words used for each set of books?

It is Fry's first 100 and second 100 sight words list.

Are these decodable books the same as the ones included in the seasonal decodable books?

The books in this bundle are completely different decodable books than what is included in my themed (Christmas, Halloween, Thanksgiving, etc.) seasonal phonics decodable books.
