What Teachers Are Saying...

LS

Lauren S.
Jan 25, 2023

★★★★★ **Extremely satisfied**

Absolutely love that I can edit and make different lists for all my students based on the words they are learning! It helps ease the frustration I see from students who are hyper aware that they are doing different work than their peers. Now that they all look similar, we have less outbursts.

Students used with
4th grade
Primarily students with learning difficulties, on the autism spectrum, and with mild to severe disabilities

CM

Creations from Mars
Jun 17, 2022

★★★★★ **Extremely satisfied**

SUPER easy way to create sight word printables for your students!

Students used with
1st grade

Students were engaged

Strongly disagree Strongly agree
