★★★★★ Extremely satisfied

I absolutely love this resource. I use the booklets often to pair with my phonics lessons or I use the booklets to reinforce skills during small group instruction. The foldable booklets make this resource kid-friendly as well. Thank you!

I love these. They are my favorite decodable for emerging readers. We read the decodable in class, then I send it home along with the worksheet that goes with it for homework. My students love them as much as I do. Thank you for creating these!
