★★★★★ Extremely satisfied

I needed something engaging that would allow for continuous practice with blending and segmenting. I am really enjoying this growing bundle because it allows students to stay interested with the monthly themes. You only need to prep once, and it will be ready for the following school year. Thank You!

Frequently Asked Questions

Do the cards repeat?

There is minimal repetition across months – most words are used only once.

Can I buy just one skill?

Yes! Each month is available separately in my store.

Do the word cards include digraphs or long vowels?

Yes, the four-phoneme cards cover digraphs and vowel teams.

Is this an editable resource so I am able to add my own pictures to segment?

Not at this time – but I'm keeping that in mind for future updates!
