As a reading specialist, I used these with several of my groups as a reading-related Valentine's Day activity. I was able to find one or two that support the phonics skills each of my groups has been working on--perfect! I also love that they are one page, easy to prepare. Thanks!

This was amazing for small groups. There were so many different levels for the different groups I had. They students enjoyed the short stories and highlighting high frequency words.

# Frequently Asked Questions

Do you have a PDF online version of these materials for online teachers?

I do not have digital versions of these readers at this time. They are only available in a printable PDF.

Do you have more seasonal decodable readers than just Valentine's Day?

Yes! Click HERE for the money saving Seasonal BUNDLE!

Do you have a list of the sight words used for each set of readers?

It is Fry's first 100 and second 100 sight words list.

Are these seasonal decodable readers the same as the ones included in the decodable readers PHONICS bundle?

The books in this bundle are completely different decodable books than what is included in my decodable reader PHONICS bundle.
