COPENHAGEN

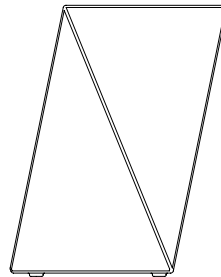

### **A SCULPTURAL SIDE TABLE CELEBRATING COLOR, FORM & MATERIALITY**

Normann Copenhagen proudly introduces the Delta Proust Side Table, a bold and artistic design by Alessandro Mendini. Crafted from 98% recycled pigmented polyethylene (PELD) sourced from industrial packaging waste, Delta Proust reimagines repurposed materials into a striking and functional object.

Adorned with Mendini's iconic Proust pattern—a vivid mosaic of seven colors interwoven with two shades of white—each Delta Proust Side Table is entirely unique. Its sculptural silhouette shifts in perception from every angle, creating a dynamic sense of movement and artistic spontaneity. Durable and weather-resistant, Delta Proust is suited for both indoor and outdoor use.
