Mesh Bed Rail Protector
Spec Sheet

As well as providing a padded barrier, the mesh inserts of these bed rail protectors provide visibility between each side rail to reduce the feeling of entrapment.

Supplied as a pair

Colour: White

Fastening: Zip

Material Outer: Polyester Fabric with a PVC coating & mesh inserts

Material Inner: Flexible foam

MRSA Resistant - with the use of a non-porus PVC outer fabric

FR Tested - Flame Retardant tested to British Standard BS 7177

Wipe Clean Finish - supports infection control procedures and is easy to maintain

White Colour - to promote a fresh looking, contemporary environment
