LAUNDRY BAGS

SAFETEX LAUNDRY BAGS

Safetex is a reusable, self opening laundry bag, designed for the collection of heavily soiled and infected linen. The unique welded seams ensure the bag is fluid and odour proof. Once the snaps are undone and the laundry bag is safely inside the washing machine, the bag naturally opens minimising handling of the contents of the bag by staff.

Safetex bags are environmentally friendly and a cost-effective alternative to single-use bags.
