Rascal Rialto Profile:

The Rascal Rialto is our proven, manoeuvrable indoors & outdoors 4mph Mid-Wheel Drive Powerchair offering configurable options normally found on higher cost models. The Rialto is an excellent personal transport proposition bridging the gap between high-end & basic powerchairs. The Rialto boasts Crash Test Approval & multi-size seat, width, depth & angle adjustment seating options.

Crash Test Approved* for Forward Facing Applications: (ISO 7176-19)

Allows the use of the powerchair as a seat in a motor-vehicle when used in conjunction with an approved restraint system.
