SPEED -
UP TO 22MPH**

INTRODUCING THE INVADER XTREME

If you need even more pulling power, then look no further!

Since its launch in 2021, the Invader has carved out its own fame in the countryside. With the Xtreme you can now achieve formidable torque with unrestricted speeds of up to 22mph and the torque heavy, all-wheel drive mode.

It's time to get serious. For the ultimate thrill around your field or estate, throw away those dirty overalls and grab your clean leathers for some intense riding.

Speed Modes	Range
4mph, 8mph, 22mph	Standard – 20 miles Lithium Upgrade – 40 miles
All other specifications are identical to the standard Invader.	

To drive on public highways, you will need a driving licence, road tax and a valid insurance policy.

Supercharge your life...

Everything we do is to maximise your freedom!

Satisfy your thrill-seeking nature with the Invader – yet another mobility innovation from Scooterpac.

“

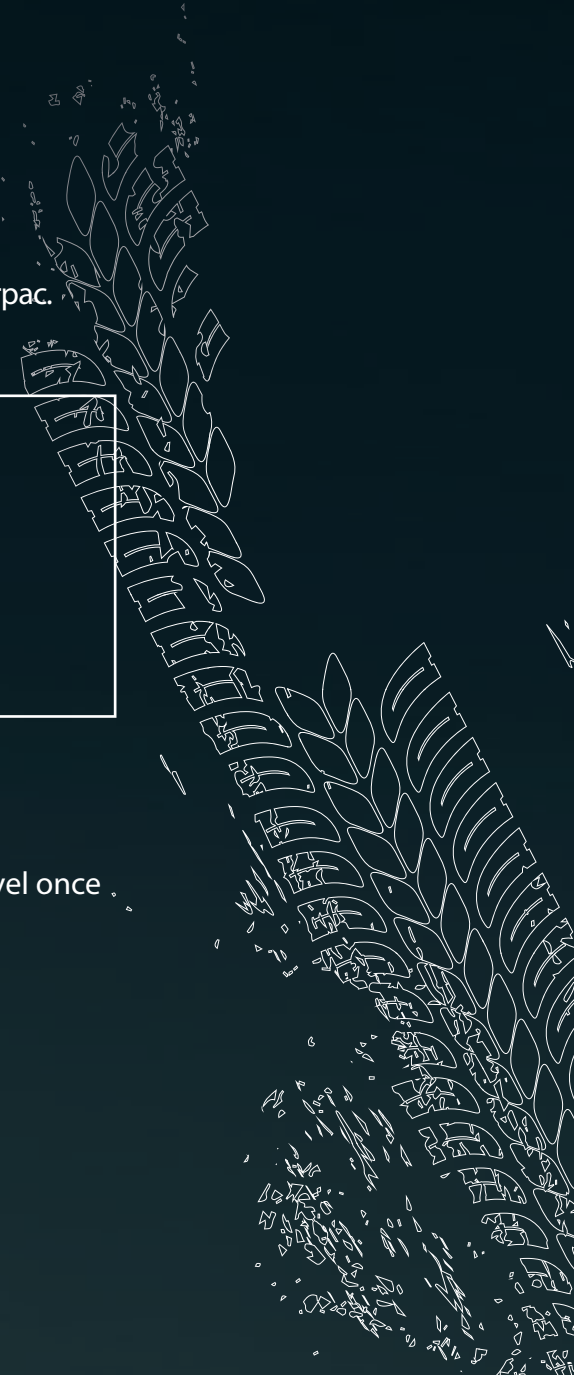

What a brilliant bit of kit!
We can now both independently experience our treasured local area
in complete style – it is so much more than a mobility scooter.
