

2021 v. 1

Side Wedges with Connecting Sheet Spec Sheet

The high density foam filled pair of side wedges with a breathable connecting sheet are designed to minimise the risk of residents falling out of bed where side rails are not used.

Supplied as a pair of wedges with connecting sheet. Wedges and connecting sheet are also available separately.

Colour: Blue

Fastenings: Hook and loop to attached the wedges to the sheet.
Durable straps connect the sheet under the mattress and fasten with quick release buckles

Material Outer: Polyester fabric with a PVC coating

Material Inner: High density foam

FR Tested - Flame Retardant tested to British Standard BS 7177

Wipe Clean Finish - supports infection control procedures and is easy to maintain
