SPACE MAX

SPEAKERPHONE

- Ideal mobile handsfree solution in medium to large meeting rooms, huddle rooms and individual office
- Best audio quality for phone calls and meetings using audio and video call apps, such as Microsoft Teams® or Zoom
- Easy connection via Bluetooth®, USB or USB WL adapter

beyerdynamic SPACE MAX is the perfect speakerphone for any business — whether you're in an office setting or a boardroom.

The centerpiece is a high-quality speaker system, that offers an outstanding level of detail in its sound, with powerful bass and clear highs in the reproduction of speech, media and music. The new Conference Cascade mode allows two beyerdynamic SPACE MAX units to be linked together, creating a 12-participant hands-free communication system for large conferences.

In combination with its innovative microphone technology, beyerdynamic SPACE MAX delivers the best voice recording and maximum sound quality within the beyerdynamic SPACE series. With a battery that lasts 25 hours, an integrated Power Delivery fast-charging function and a powerbank mode you'll never be without juice. In addition to all these features, we have not forgotten about aesthetics: Thanks to the award-winning design, beyerdynamic SPACE MAX is a visual highlight in any environment.

- Modern user-friendly design with IP64 certification to protect against dust and splash damage
- Outstanding battery life of 25 hours (in voice mode) with integrated Power Delivery fast-charging function and powerbank mode
