

Pato Paper Sledge Chair

Designed By Welling / Ludvik, 2025

Pato Paper Sledge Chair is a stackable chair with a shell in PaperShell – a fossil-free, 100% bio-based cellulose composite moulded in Sweden. Frame in solid steel wire, chrome-plated or powder-coated, with replaceable gliders. An aesthetic and responsible design that merges the elegant language of the Pato series with the material's tactile strength and circular potential.
