

Pato Paper Sledge Armchair

Designed By Welling / Ludvik, 2025

Pato Paper Sledge Armchair is a stackable armchair with a shell in PaperShell – a fossil-free, 100% bio-based cellulose composite moulded in Sweden. Frame in solid steel wire, chrome-plated or powder-coated, with replaceable gliders. An elegant and durable design that extends the Pato series with a circular, tactile material and added comfort from integrated armrests.
