

# Pato Paper 4 Leg Chair

Designed By Welling / Ludvik, 2025

Pato Paper 4 Leg Chair is a stackable chair with a shell in PaperShell – a fossil-free, 100% bio-based cellulose composite moulded in Sweden. Tubular steel frame, chrome-plated or powder-coated, with replaceable gliders. A refined and responsible design that brings a new material expression to the Pato series while maintaining its signature clarity and comfort.
