

Pato Paper 4 Leg Armchair

Designed By Welling / Ludvik, 2025

Pato Paper 4 Leg Armchair is a stackable chair with armrests and a shell in PaperShell – a fossil-free, 100% bio-based cellulose composite moulded in Sweden. Tubular steel frame in chrome or powder-coated finish, fitted with replaceable gliders. A sustainable take on comfort and function, where the clean lines of the Pato series meet a new circular material choice.
