## PURE & SIMPLE

Lead-free drinking water systems was required by law nationally in January 2014. As a 25-plus-year authority in lead-free manufacturing techniques and products, NIBCO gives you a distinct advantage, especially with our vast and growing lineup of HydraPure® silicon Performance Bronze® valves and fittings.

NIBCO offers you an unmatched selection of lead-free products that are third-party listed and approved. Plus, our extensive knowledge, delivery convenience and industry-leading service means you'll have the lead-free solutions you need on time and on budget.

**NIBCO products are third-party listed and approved.**

**Save money over time with dezincification-resistant products that last far longer.**

**Lead-free designs keep you ahead of federal regulations**
