Journal Side Table

No. (1550) Journal Organiser, Oak

Dimensions:

W: 58,5 cm / 23", H: 66 cm / 26", D: 38 cm / 15"

Product description:

A proportional size and versatile side table for any type of living space. The contrast between the sharp leg profiles and the gently rounded edges of the tabletop creates a striking and sophisticated effect. In a functional detail, a gap between the frame and the tabletop creates a convenient place to store anything from magazines, plants, bottles and newspapers etc. The wooden storage tabel is carefully dimensioned to match a wide variety of uses and contexts, for example as a kitchen organiser, magazine rack, side table or office desk organiser.

Designer's thoughts:

"When designing the side table, I wanted to create a universal storage unit stripped back to its essentials. You could say that the construction of the table is its design DNA." – Jonas Herman, Herman Studio
