RULES

Object

Pass Stinky Pig quickly...don't be stuck holding him
when he toots!

Set Up

- Players sit in a circle.
- Place the pile of Tokens, as well as
Stinky Pig and the Dice, in the centre of the circle.

Play

- The youngest player goes first. Hold Stinky Pig in
one hand, and the Dice in the other. Press the pig's
belly, and when he starts singing, roll the Dice!
- The Dice will tell you where to pass the pig:
 - If the Dice lands on 'Left', quickly pass Stinky
Pig and the Dice to the player on your left.
 - If the Dice lands on 'Right', quickly pass Stinky
Pig and the Dice to the player on your right.
 - If the Dice lands on a pig, hurry up and roll again!
- Remember to roll and pass fast... at some point
Stinky Pig is going to 'pass gas', and you don't want
to be holding him when he does!
- Whoever is holding the pig when he suddenly
makes a tooting noise must take a Token from the
pile. That player then pokes the pig's belly to start
the singing again, and starts another round of play.

WARNING: Not suitable for
children under 36 months due to
small parts that may represent a
choking hazard.

Authorised Representative in the EU (for the
purposes of Toy Safety Directive):
Delphic HSE (Europe) B.V., The Base B, Evert
van de Beekstraat 104, Schiphol, 1118CN,
Netherlands.

Product Code: GP043 v1.0 2023

Instruction sheet must be retained since it
contains important information.

Winning

The game ends when a player gets three Tokens. The
player with the fewest Tokens wins (*yes, there may be
multiple winners!*)

Now play again!

BATTERY SAFETY INFORMATION

2 x 1.5v AA batteries are required. Do not use
rechargeable batteries. Never use different batteries to
those recommended. Never mix old and new batteries, or
different types of battery.

Do not attempt to recharge non-rechargeable batteries.
Remove and carefully dispose of exhausted batteries
(recycle if possible). Batteries must be inserted with the
correct polarity. The spring in the battery compartment
corresponds to the negative (-) end of the batteries. The
supply terminals are not to be short circuited.

To insert or change batteries, loosen the screw on the
battery compartment cover, and remove the cover. Insert
batteries, making sure that the polarity is correct. Replace
the battery cover and tighten the retaining screw.

Mains Electricity:

Never connect to mains electricity. Children should be
instructed about the dangers of mains electricity.

Recycling:

Please recycle used batteries and electrical products using
the facilities provided by your local authorities.
