★★★★★ Extremely satisfied

This is the second resource I have used from Teachable Teacher. I love the format of these worksheets. My struggling first grade readers benefit from these. They aren't too overwhelming for them and are just challenging enough.

★★★★★ Extremely satisfied

I have the entire set of these units. They are wonderful! They are one of the best purchases I have made on TPT. I provide phonics intervention for 1-3rd graders that do not have good decoding skills. While I am using other resources, this series has become the foundation for my intervention lessons.
