★★★★★ Extremely satisfied

I have the entire set of these units. They are wonderful! They are one of the best purchases I have made on TPT. I provide phonics intervention for 1-3rd graders that do not have good decoding skills. While I am using other resources, this series has become the foundation for my intervention lessons.

★★★★★ Very satisfied

My students enjoyed doing this activity and enjoyed working through the packet. It was a useful resource because it gave my low readers decodable sentences and they felt successful.
