★★★★★ Extremely satisfied

So many great options for morning work, stations, and assessing!

Loved this and will definitely put this on my list to reuse. My kids were so engaged.

★★★★★ Extremely satisfied

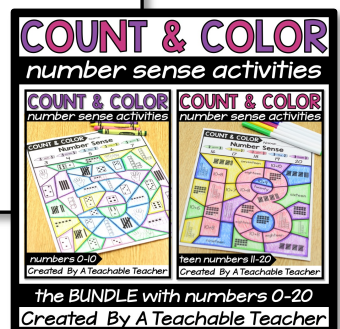

This is a wonderful resource, and so helpful for learning not just their numbers, but different ways to count them! Absolutely fantastic, and a beautiful worksheet in the end!

Ready for any number 0-20 practice! Just print and go!

Frequently Asked Questions

Are the pages in this resource editable?

The pages in this resource are currently NOT editable.

Do you have a PDF online version of these materials for online teachers?

I do not have digital versions of these pages. They are only available in a printable PDF.

Are you planning to add more numbers past 20?

This product is complete and has all the numbers that will be available.

I bought one of the individual packets, and now I want the bundle. Can I get a discount?

TpT does not allow sellers to process refunds. However, they will refund you if you buy both. After buying the bundle, email them and ask for the individual item to be refunded.
