

## Comfort+ lightweight cut level A2 glove with PU palm coating

The 55-2311 glove from Tilsatec is part of our newly expanded Comfort+ series which offers our latest in non-reinforced RhinoYarn® technology, free from alloy (steel/tungsten) and mineral fibers (glass/basalt).

The 15 gauge seamless lightweight liner is tactile and dextrous but highly durable, delivering an impressive abrasion level 5 to ANSI/ISEA 105:2024. The PU palm coating and thumb crotch reinforcement ensure good grip and handling without compromising dexterity.
