PALISSADE CANTILEVER DESIGN BY RONAN BOUROULLEC

Retaining the original's symmetrical design language, the Palissade Cantilever Collection offers a lighter expression of the iconic outdoor range, bringing a fresh perspective while preserving its timeless appeal. The floating frame creates an airy, elegant aesthetic, with a subtle flex that provides comfort through a gentle spring-like feel. Designed to integrate effortlessly into a natural landscape or urban setting, the Palissade Cantilever is ideal for relaxing, dining, and socialising across a variety of outdoor spaces.

Ronan Bouroullec is a French designer and artist based in Paris. He attended the École Supérieure des Arts Décoratifs before starting Bouroullec Studio with his brother. Together the design duo has transformed the design industry, offering new perspectives of materiality and purpose with an international portfolio that includes furniture, architecture, and artworks. Using a design approach based on simplicity, balance, and precision, Ronan works alongside other artists and creatives on multifaceted projects. For HAY, he has designed the Palissade Cord and Cantilever Collection.

MATERIALS

PALISSADE CANTILEVER

Hot galvanised steel or in powder coated steel with a two-component coating; a primer and an outdoor powder coating which provides a barrier to corrosive elements, making it suitable for outdoor use

GLIDER

100% PCR plastic

COLOUR & FINISH

Please note that the colours are indicative

Please make sure to wipe all hot galvanised surfaces before use, as the zinc surface oxidises during transportation and can become humid. This can stain your clothing if it comes into contact with it.

SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC™-certified wood (FSC-C148805), and bio-based foam that helps lower our products' overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.

PALISSADE SOFT QUILTED CUSHION COLLECTION

Adding extra comfort and functionality to Palissade's collection of chairs and benches, the Palissade Soft Quilted Cushion is specially formed to fit the majority of the Palissade models. Crafted in fabric with a water-repellent finish, the cushion features an anti-slip backing and is filled with a soft and thick foam crumb and silicon fibre ball padding. The fabric has a high UV resistance, meaning it is fade-resistant with good colour fastness properties. The cushions are available in three colours and can be used all year round.

PALISSADE CUSHION COLLECTION

Adding extra comfort and functionality to the Palissade and Palissade Park collections, the Palissade Cushion is specially formed to fit each Palissade model perfectly. Available in two variants depending on the model – a thin, slightly padded variant and a quilted version with Velcro® fastening. All variants feature an anti-slip bottom to keep them securely in place and are crafted in Teflon®-coated fabric for a water-repellent finish. The fabric has a high UV resistance, meaning it is fade-resistant with good colour fastness properties. The cushions are available in four colours and can be used all year round.
