Conscious Range

2022/2023

Conscious Basin Range

From what we take, we give back. Nood welcomes their Conscious range.

Softly, slowly, Nood spent time in clay studios learning the art. The end result was this handmade range of organic designs.

With soft curves and a freedom for the imperfect, these basins are designed for the individual in you. The wabi sabi. The imperfect. Those that live in flow and like their surroundings to reflect that.

Designed in clay and handmade in our completely chemical free, conscious concrete. Nood offers three organic designs and six muted tones. With dusty colours inspired by the Australian outback; the twisting, dry branches laid on the land; the shimmering colours disappearing into the evening night.

We use recycled packaging and donate back to tree planting of bushfire affected areas.

From what we take, we give back.

Sustainability

Our future on planet earth is decided by us. So how do we bridge the gap between essential and aesthetic living? Nood has the following perspective. We believe aesthetic living should be available to everyone, but only if the process of manufacture returns what it takes.

It's proven that designed environments, that suit the hearts desires of the client, have a positive impact on mental health. And so Nood set about creating a manufacturing process that simply returns what it takes.

It's what's inside that counts

Nood Concrete is made inhouse. It features natural Australian sands, and Volatile Organic Compounds (VOC) free admixes. The challenge for us was to create a waterproof composition that is healthy and recyclable. So that what is made, causes no harm, and can be broken down into its natural elements later.

The planet

What is made must be returned, one way or another. With each basin sold Nood proudly donate to Carbon Positive Australia. The money goes to the replanting of trees in bushfire affected areas and helps to offset our carbon footprint.

The over manufacture of portland cement is nearing a global crisis. Nood have completely removed the use of portland cement from its manufacture process.

Pack it up, pack it in

Nood have transitioned to recycled packaging for all products. In 2023 we are moving towards the deletion of print catalogues and switching to digital. Less is more.

Embody me

We handmade all of our basins in Australia. Nood's concrete making process enables 97% less embodied energy than its ceramic equal. Quite the stat. So yes it takes longer, and yes it isn't quite as cheap, but it is done properly with love, and is far less stressful in output into our planet. Just like the old days, when time wasn't so critical.

Rowboat

Available through Nood and Nood+

We work in the cities, but holiday in nature. Time and time we head back to the simplicity, the origins, to a place where we feel the flow of the land, in perfect peace. For that is our nature, our curiosity.

Nood have selected 6 muted tones from the Australian landscape. Dusty and sun soaked, slowly weathered and worn with time. Left to the elements to develop its own life force. What could be more beautiful, more relatable.

We live in the city and we chose life and love. We nurture, we make conscious choices. Nood are proud to offer this range of conscious colours, to bring a little bit of Australia home. We welcome Morning Mist, Cloud, Nood, Mushroom, Olive and Rowboat.

Available across the entire Nood range.

A close-up photograph of olive branches with silvery-green leaves. The leaves are elongated and have a distinctively lighter, silvery underside. The branches are thin and woody. In the center of the image, there is a semi-transparent, light gray rounded rectangle containing the word "OLIVE" in a dark, sans-serif font.

OLIVE

A close-up photograph of several mushrooms, likely oyster mushrooms, showing their characteristic wavy, layered gills. The gills are a light cream or off-white color, with some darker, brownish-tan edges visible where the gills meet the mushroom caps. The lighting is soft, highlighting the texture of the gills.

MUSHROOM

CLOUD

The background of the image is a soft, atmospheric photograph of a mountain range. The mountains are layered, with the closest ones appearing in shades of brown and tan, and the distant ones fading into a pale, hazy white. The overall mood is serene and quiet, typical of a misty morning. In the center of the image, there is a light beige, rounded rectangular box with a subtle drop shadow. Inside this box, the words "MORNING MIST" are written in a dark, clean, sans-serif font.

MORNING MIST

A close-up photograph of a person's neck and shoulder. The skin is smooth and has a warm, natural tone. A soft, peach-colored oval is centered on the neck, containing the word "NOOD" in a dark, sans-serif font. The background is a plain, light gray.

Combustion Data

Nood Co Silica Sand

- + Flammability: None.
- + Hazards from combustion products: Not flammable or combustible.
- + Suitable extinguishing media.
- + Special protective precautions and equipment for firefighters: None.
- + Hazchem code: None allocated.

Nood Co Cement

- + Non-combustible.

Nood Co Sealer

- + Heat resistance: Up to 500F (260C).
- + Food-safe and non-toxic: Complies with FDA Guidelines.
- + Non-combustible.

Nood Co Tint

- + Non-combustible.
- + Zero VOC.

10 Year Guarantee

Actions speak louder than words. Nood are proud to offer a 10 year structural guarantee on their concrete basins. We take the process of concrete very seriously, with years of research and development, we've taken concrete to places it's never been.

The resulting effect is a high performance, premium quality, real world product. Made with love, we welcome a product that will go the distance, with a service you can rely on.

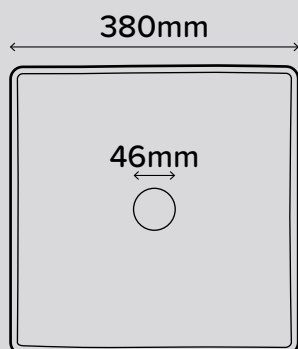

For full warranty details please visit noodco.com.au

We could also show the colour way, the basins, snippets of the Australian landscape, close tight shotsill let you run with it mate

CONSCIOUS RANGE

Cast

Hand molded, organic and soft.
Welcome to the perfect imperfect.

SPECIFICATIONS

MATERIAL	UHP concrete
FINISH	Matte / Low sheen. Finish is organic, muted, has tonal variation in colour and finish.
WEIGHT	9kg (20lbs)
DIMENSIONS	380mm x 380mm x 110mm (15in x 15in x 4.33in)
BOWL CAPACITY	9.9L (2.6gal)
TAP HOLE	N/A
OVERFLOW AVAILABLE	N/A
WASTE RQD	Suits a standard 32mm, 40mm or 42mm waste. Waste not supplied by Nood Co.
WARRANTY	24 months
WASTE HOLE SIZE	46mm (1.8in)
WALL THICKNESS	8mm (0.31)
OPTIONS	Surface mount / Wall Hung
WALL MOUNT	Basins are organic shaped in nature and may not sit perfectly against wall
ORIENTATION	Surface or wall mount

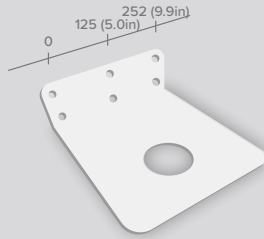

STANDARD COLOUR RANGE

Blush Pink	Charcoal	Clay
Copan Blue	Custard	Ivory
Lilac	Mid Tone Grey	Mint
Musk	Pastel Peach	Powder Blue
Sand	Sky Grey	Teal

CONSCIOUS COLOUR RANGE

Cloud	Morning Mist	Mushroom
Nood	Olive	Rowboat

WALL HUNG BRACKET

DIMENSIONS L350mm x W300mm x H100mm
(L13.7in x W11.8in x H3.9in)

THICKNESS Wall Hang Bracket: 8mm (0.3in)
L Bracket: 3mm (0.1in)

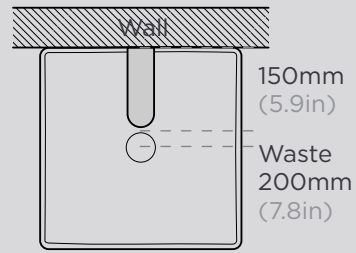

WEIGHT Wall Hang Bracket: 2.5kg
(5.51lbs)
L Bracket: <250g (0.5lbs)

INSTALLATION Timber Wall: tiny.cc/udkhlz
Masonry Wall: tiny.cc/Ogkhlz

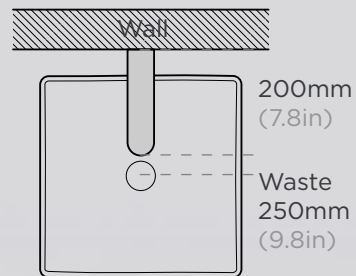

8mm aluminium bracket (powdercoated white) included with fixings for timber/masonry wall. Please ensure mounted before tiling. powdercoated. Bracket, fixings, adhesive provided with each wall hung basin purchased.
