ATMOS² ULTRA

The Ultimate High-Speed Digital Salon Dryer with Ultra Ionic Conditioning

30% Faster drying and styling*

20% Quieter*

Easy-clean Micro Filter

HIGH PRESSURE
ATMOS²
DIGITAL MOTOR

ATM005

Atmos2 Next Generation Digital Motor

- Less than one-quarter of the weight**
- Ultra High RPM motor gives 30% faster drying and significantly less motor noise**
- Digitally controlled, brushless DC motor uses less energy and can last 10x longer**

Atmos Ultra Conditioning System

- Speeds drying time
- Improves feeling & manageability
- Increases shine
- Reduces frizz & static

Atmos Digital Controls

- 3 Heats / 3 Speeds / Cold Shot
- Heat & speed indicator lights

Atmos Attachments

- Rotatable
- Easy to attach & remove

Atmos Micro Filter

- Ultra fine 3-stage air filtration removes impurities

Atmos Interchangeable Sleeves

- Available separately

Upgraded and Redesigned Ultra-Speed ATMOS 2 DIGITAL MOTOR.

More airflow for faster drying plus more air pressure for faster styling. Lower noise for a quieter working environment.

Includes magnetic drying nozzles plus extra large diffuser and eco felt storage box.
