

CRACK-THE-CODE

HEART WORDS

using beginning sounds

300+ high frequency WORDS

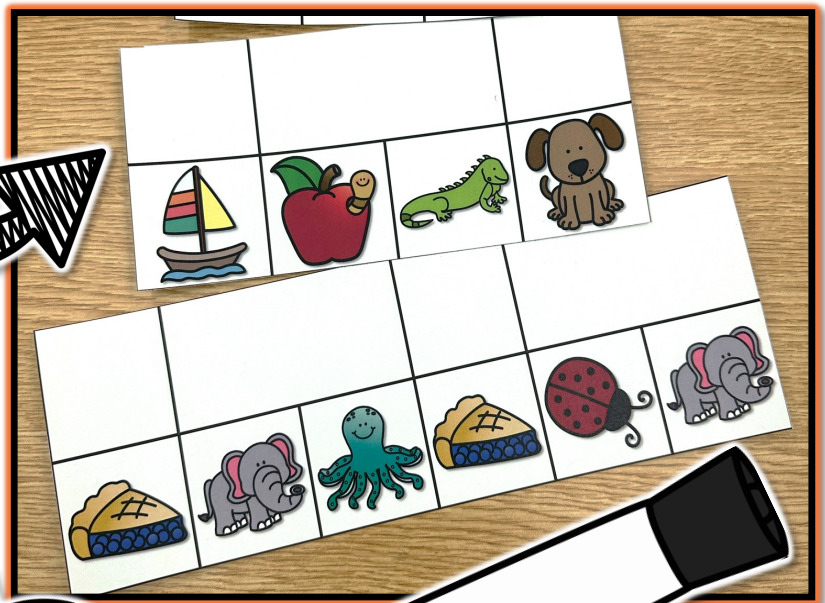

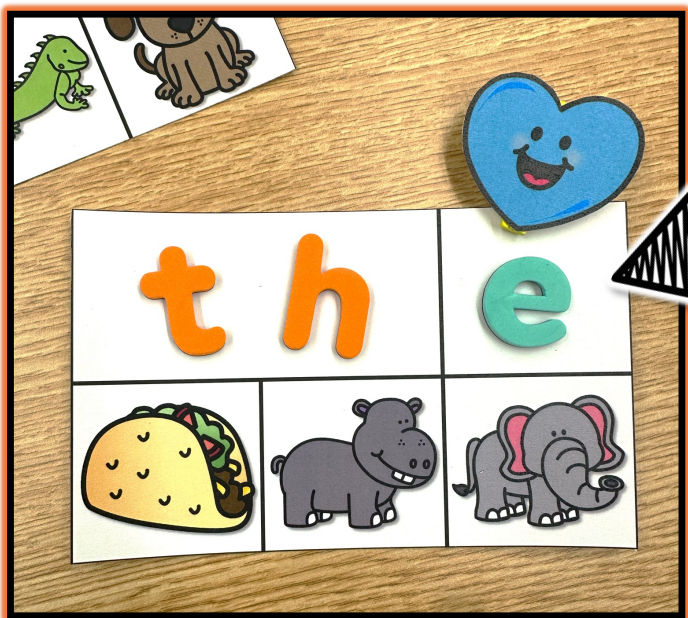

Created By A Teachable Teacher

CRACK-THE-CODE

HEART WORDS

two ways to use

print, laminate
and write

print, laminate
and use letter
tiles or magnets

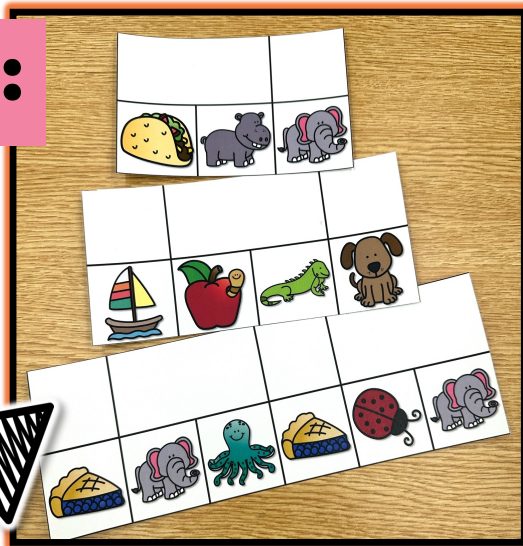

CRACK-THE-CODE

HEART WORDS

HOW TO PREP

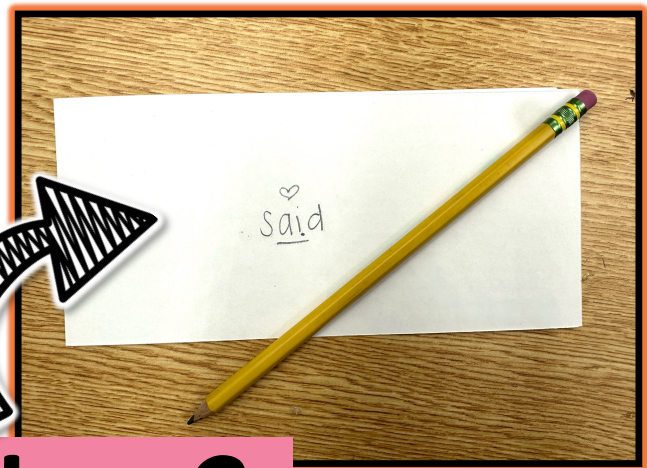

Step 1:

Print and cut the secret heart word cards

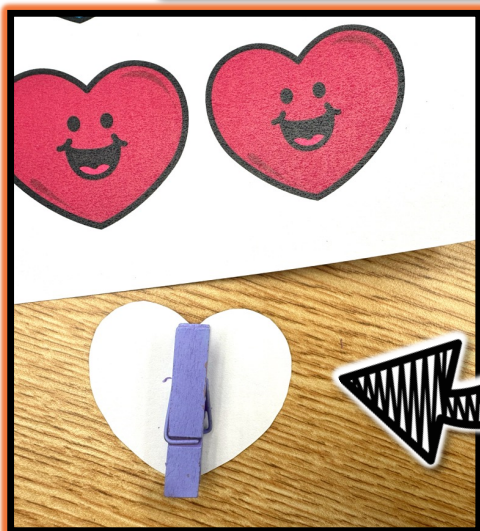

Step 2:

Write answers on the back of the cards

Step 3:

Adhere hearts to clothespins (I used mini clothespins but regular size clothespins will work too!)

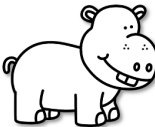

CRACK-THE-CODE

HEART WORDS

ANSWER KEYS INCLUDED!

Only truly decodable words have been "hearted"

Decodable high frequency words (AKA temporary heart words or flash words) do NOT have the hearts and lines added because the "heart part" varies according to your phonics scope and sequence.

th	 the e	
		
†	oo	
		

answer key

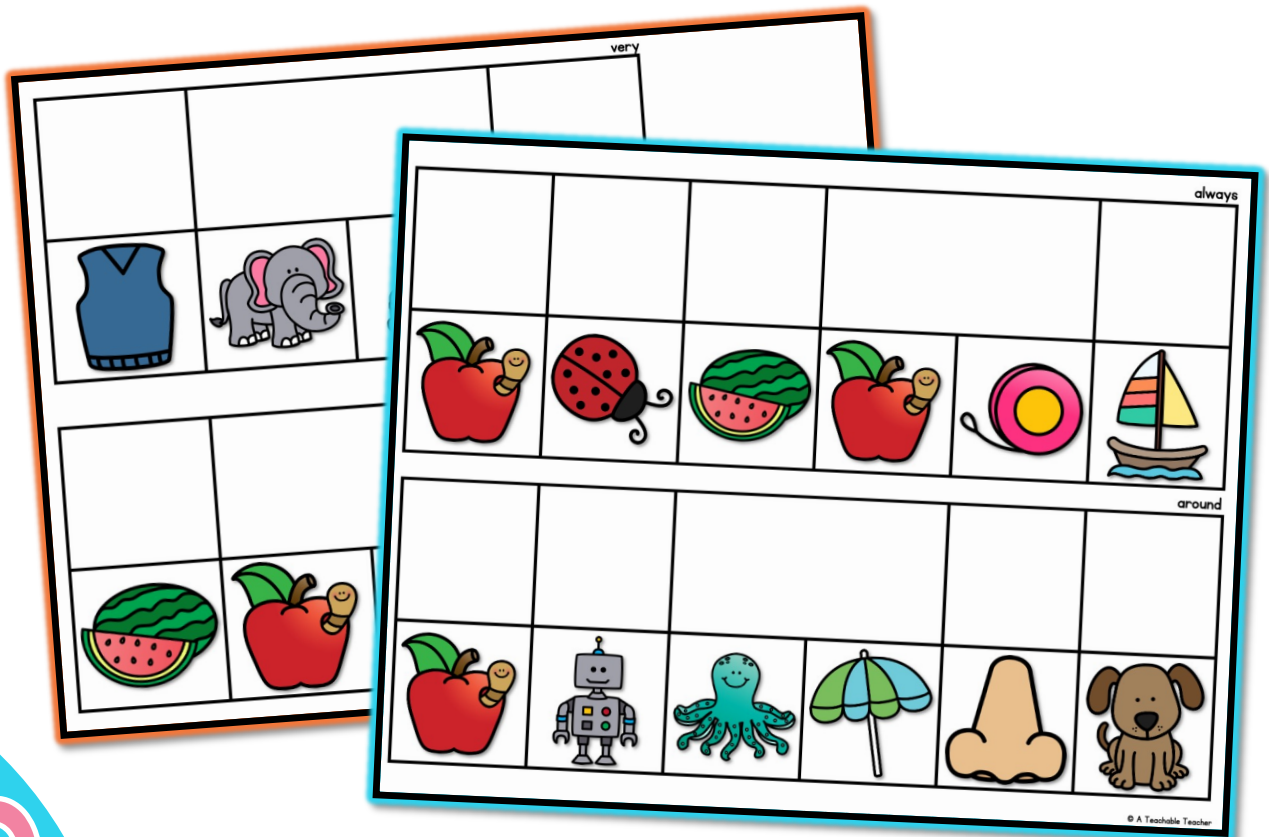

© A Teachable Teacher

For example, depending on where you are in your scope and sequence, the word *too* may have a heart over the oo.

CRACK-THE-CODE

HEART WORDS

High frequency word practice that aligns to the Science of Reading!

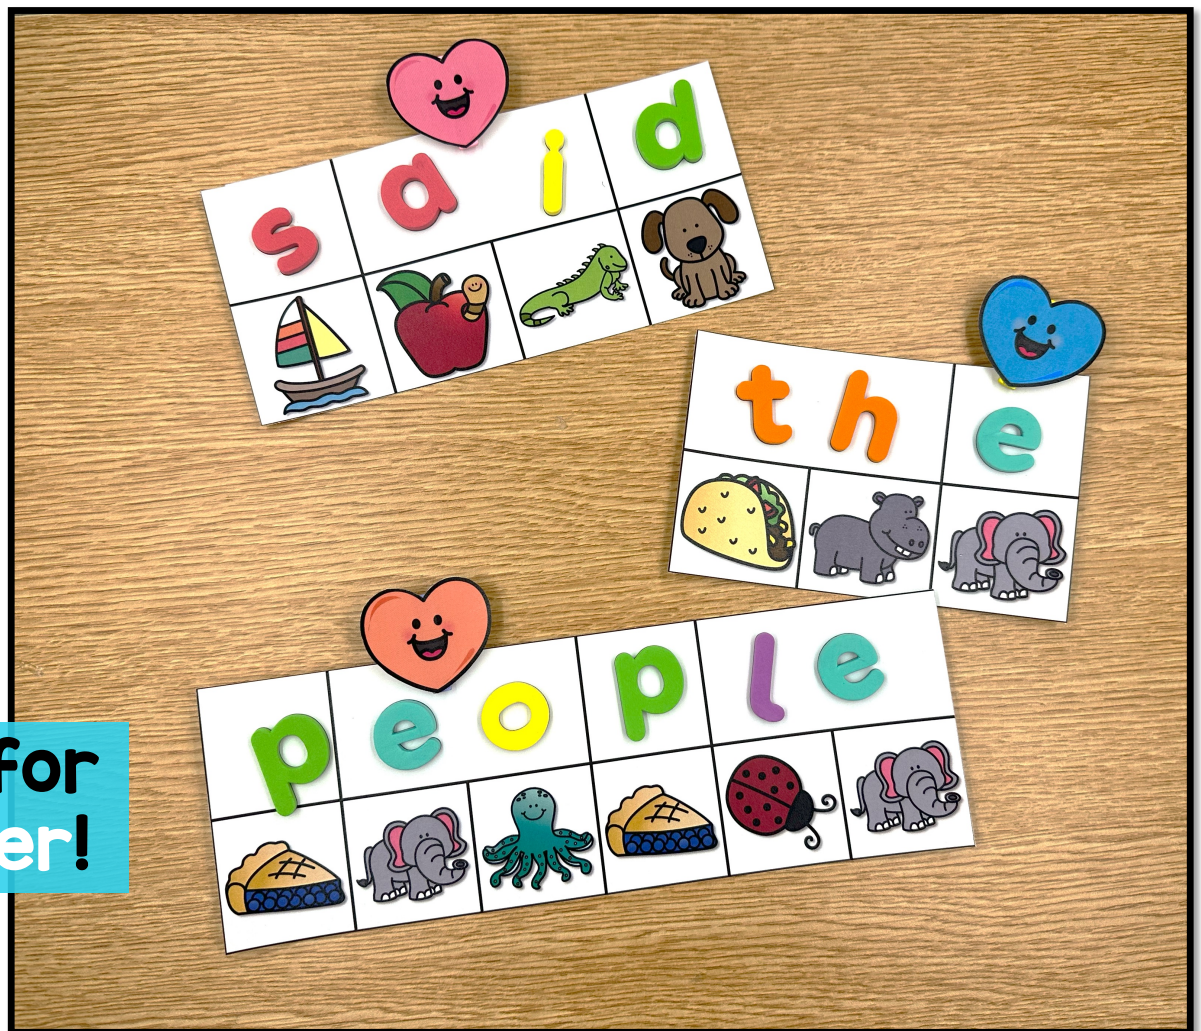

OVER
300
WORDS

+ BLANK TEMPLATES
