PIT MAT

WHEN PERFORMANCE MATTERS

Service Crews of all types can now service and maintain their vehicles outside of a workshop by using a Tough-As Pit Mat - a heavy duty portable flooring solution that provides a clean, safe and organised work area. The Pit Mat can be laid flat on any terrain including grass, dirt, asphalt or concrete. The Pit Mat is puncture and chemical resistant, fire retardant and water proof. The mat includes a strong carry bag for easy transport. Our workmanship carries a 100% warranty for the life of the Pit Mat. It's Tough-As.

THE TOUGH-AS LIFETIME GUARANTEE

We're so confident that the Pit Mat has been made Tough-As that we 100% guarantee our workmanship for the life of the product.

Includes a Tough-As carry bag and lock down kit

MADE TO LAST

The heavy duty properties of the Tough-As Pit Mat with welded construction provides durable portable flooring on any terrain.

SMOOTH RIDE

The Tough-As Pit Mat is a great base for the Tough-As Work Mat. Both mats feature high gloss finish PVC covers, giving you smooth movement under your vehicle during servicing and maintenance. The high-density closed-cell foam in the Work Mat protects your body from the impacts of working on harsh surfaces, allowing you to work in padded comfort.

CLEAN START

Cleaning the Tough-As Pit Mat is simple. Wipe up oil and grease with a clean cloth, or sweep with a broom and use a pressure cleaner if necessary.
