

FINGER PUPPETS

Wondering how to make finger puppets? It's easy! Our six puppets feature **COSMOS** the Owl, **CRACKER JACK** the Mouse, **QUACKERS** the Duckling, **EMBER** the Red Panda, **RUBY** the Ladybird and **McDuff** the Highland Cow.

You will need a printer, card, scissors, sticky tape or glue.

***Note for Parents and Carers:**
This project requires scissors. Please supervise at all times.

Instructions

1. Print out the sheets and cut out the characters along the edges.
2. Each puppet has an identical finger wrap next to it. Cut these out and wrap around your fingers. Glue them to fit and leave to dry.
3. Glue or sellotape the wraps behind the puppets.

TIP: MAKE YOUR finger puppets sturdy, stick the print out onto card before cutting out
