Butterfly Pendant

Butterfly Pendant Giant

A medley of layered strips arc in swooping curves. Beating wings in full flight. Our Butterfly Lighting Range balances beauty and energy to striking effect.

Dynamic. Bold. Wild. A surge of vitality; a precision of craftsmanship. Shaped from sustainably sourced ash, oak or walnut, in its loops light collects, then falls free. Casting a subtle, warm glow alongside lively shadows — the Butterfly creates an atmosphere that's truly arresting.

Introduce vitality. Invite admiration.

The Butterfly Lighting Range is also available as a floor light.
