Helix Pendant

Helix Pendant Giant

An infinite stretch of wood, skilfully coiled into a sleek curve. Watertight design echoing the hull of its namesake, our Helix Lighting Range makes minimalist look effortless.

With a nod to Scandinavia and a heartbeat from the edge of the Atlantic, this is utilitarian style the Tom Raffield way. Understated. Impactful. Hard working. Through hours of careful wrapping, the elongated Helix Pendant takes shape.

Sustainably sourced oak or walnut throws wells of light down for focus, while ash diffuses brightness through the grain, for atmosphere.

Highlight. Spotlight. Accentuate, your way.

The Helix is also available as a floor light.
