Cage Floor Light

Birch/Ash - £745

Steam bent ash spirals somersault within a fine dowel cage. Playing with perspective, our Cage Lighting Range sees freedom and constraint collide – with dramatic impact.

A riot of energy by day, a shower of shadows by night. On or off, the Cage's interplay of textures, movement and light invites a closer look. Corkscrewing behind a delicate yet rigid birch surround, it epitomises the spirit of nature – commanding and wild in perfect measure. Use the Cage Floor Light to illuminate specific areas, to layer light and create ambience in your space.

Add drama. Add depth. See differently.

The Cage Lighting Range is also available as a standard and large pendant light.
