Helix Floor Light

An infinite stretch of wood, skilfully coiled into a sleek curve. Watertight design echoing the hull of its namesake, our Helix Lighting Range makes minimalist look effortless.

With a nod to Scandinavia and a heartbeat from the edge of the Atlantic, this is utilitarian style the Tom Raffield way. Understated. Impactful. Hard working. Through hours of carefully wrapping, the Helix drum takes shape.

Sustainably sourced oak or walnut throws wells of light down for focus, while ash diffuses brightness through the grain, for atmosphere. Use the Helix Floor Light to illuminate specific areas or create ambiance in your space.

Highlight. Spotlight. Accentuate, your way.
