No.1 Table Light and Metal Stand

A feat of design and a triumph of our craft, our iconic No.1 Lighting Range was the first we ever created, and making it remains impossible for all but a few of our team to accomplish.

Curling, coiling and weaving to envelop the light within, sustainably sourced ash, oak or walnut are steam bent and handcrafted into the most intricate of sculptural spheres. A balance of timeless grace and directional design in every twist and turn.

Bask in its aura. Re-imagine what your space can be.

The No.1 Lighting Range is also available in standard, giant, and giant XL pendants.
