Suspensions

Pediatrics

Geriatrics

Product Highlights

Flavor Sweet SF is a sugar free and alcohol-free cherry-flavored syrup. It may be used along or in conjunction with other agents to give flavor and sweetness while increasing the suspension's physical stability. Flavor Sweet SF contains suitable preservatives and is buffered to a slightly acidic pH to provide a dependable and consistent vehicle.

- Clear pale pink liquid with pleasant cherry almond odor
- Compatible with hydrophilic, acid stable and some hydrophobic actives
- Sugar free

Ingredients

Purified water, glycerin, sorbitol, artificial flavorings, sodium saccharin, xanthan gum, citric acid, sodium citrate, methylparaben, propylparaben, potassium sorbate, FD&C red #40, FD&C yellow #6
